### About Kids Capers OOSH Service

At Kids Capers, our slogan is 'It's all about the kids', and it is! We are here to provide a caring, reliable, safe service where your child is cared for in a relaxed, fun, stimulating and supportive environment.

Our program is based on the interests of the children who attend. We will provide a range of activities including sport, craft, drama and passive activities such as stories and drawing for those who need to relax and unwind after a big day at school. An area for homework will be available. Staff are trained in first aid and child protection.

### Care and Security for your child

It is most important that the collection and delivery of your child is a safe and smooth process. To this end, we ask you to let us know if your child will not be attending on his/her booked day. All children will be checked by roll in the afternoon when they reach the OOSH centre. Once in the centre, all children will be supervised at all times. Only the persons nominated by the parents will be able to sign your child out of the centre.

### Food

Kids Capers OOSH is nut-free and we will supply healthy breakfasts and afternoon tea to your child. Please advise us if your child has any allergies.

Breakfast will be served daily until 8:15am. This will consist of juice, cereal with milk and toast with spreads.

Afternoon tea - A fresh fruit platter will be served at 3.30pm when the children arrive from school. Afternoon tea, for example, homemade cakes, pikelets, cheese and crackers, home-made fruit ice-blocks, sandwiches, cheesy noodles etc will be served at 4.00pm. A weekly menu and program will be displayed at the centre.

### Suggestions and Parent Input

We value your suggestions and input. Please feel free to approach any of our staff or drop a note in our suggestion box!

### Behavior Management

Staff aim to provide positive and consistent behavior management at all times. We will establish rules for acceptable behavior at the beginning of each term in consultation with the children. Positive feelings of self worth and consideration for the feelings and safety of others will be our main considerations when dealing with the children in our care.
